Welcome to the "Messages to Wisconsin Assessors" page.

The purpose of this page is to post information specifically for Wisconsin assessors. Examples of what will be included on this page are; copies of blast-emails, new legislation, and the status of ongoing court cases. Many of these postings will find their way into the *Wisconsin Property Assessment Manual*. Others may move into the Guides that are maintained by the Division of State and Local Finance. We hope that you find the site useful and, as always, we appreciate your comments.
